Welcome to the E-magazine **Osmosis**, of GD Goenka School Varanasi. We are really proud and exuberant to acclaim that we are ready with all new hopes in the Virtual World amidst stressful outbreak of COVID-19. The enthusiastic write-ups and Lockdown activities of young Goenkans are indubitably sufficient to hold the interest and admiration of the readers.

We appreciate, applaud and foster the fine blend of sensibilities in a child, and changing a negative outlook to positive one. All the collective actions with the support of parents and teachers would surely stir the minds of readers and take them to the surreal world of unalloyed joy and pleasure.

We thank all those Goenkans who dipped their oars into the turbulent water of the journal and have sailed it to the digital shores.

The creative Team extends its gratitude to the management for unstinting support and encouragement in understanding such an innovative project.

We wish everyone.....

Dear Parents,

In this unfortunate outbreak of Covid-19, we understand that the children are missing out on their studies too. We are trying to make up to the loss of teaching in school, we are sharing with you subject and topic related videos personally selected by the concerned teachers so that the students can study from home and utilize their time effectively.

Covid Pandemic has challenged how children can be taught. Teachers as responsible educators have accepted this challenge beautifully and helped children learn and grow while attending virtual school.

At GDGS, technology is always a part of learning as it enables the teachers to work synchronously with the students. A blend of scholastic & co scholastic has been done keeping in mind the Well being of our students, which being our prime concern. Be it physical/ emotional/ psychological/ social.

***Screen time** has been are area of consideration in scheduling work. If the child come across any doubt, they can always reach to the concerned subject teacher or the class teacher. Our parents too play a very important role today in making things happen. I take this opportunity to thank each and everyone for supporting us.

This too shall pass...Soon we will all meet ...

Learning@ GDGS

Visual Learners:-This type of learner learns by associating information with an image or diagram. They like referring to diagrams, charts or graphs to represent information. Visual learners usually like to colour code information and translate information to visual data, so they can understand it better and remember it.

Auditor Learners:-An auditory Learner prefers to listen to information rather than reading or seeing it displayed. They tend to be linear thinking and may repeat information several times to remember what they had just learned.

Kinesthetic Learners:-This type of learner is also known as the 'hands on' learner, they learn best by practising and doing. A kinesthetic learner usually will enjoy building, making or creating as it gives them the opportunity to solve problems.

Intrapersonal Learners:-This is also known as Reading and Writing Learners; this type of learner interacts with written text in comparison to images. This type of learner prefers to have written directions and loves to make lists. The best way for this learner to retain information is to rewrite ideas in their own words and use a printout of presentations to help guide them and lastly review class notes.

5TH JUNE

World ENVIRONMENT DAY

SAVE THE EARTH

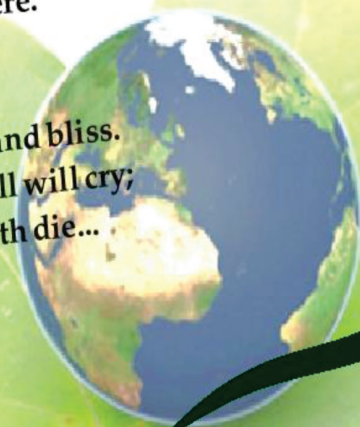

We live on our planet earth,
the place where we all took birth,
it is the loveliest planet in the space,
with oxygen, water and life to trace.

It is covered by mountains,
with life teeming like fountains.
Our home is enveloped by trees;
Some coniferous, some ever-green.
The various animals add to its beauty,
to save them from extinction is our duty.

This tiny speck in the vast universe
to us is dear;
however we never shudder,
while polluting its atmosphere.

If it goes on like this,
we will lose all happiness and bliss.
A day shall come when we all will cry;
And will see our mother earth die...

It's not yours,
Nor mine,
It's ours.
So, Protect your
mother who,
nourish you.

मेरे जीवन में आने वाली अच्छी बुरी क्षणों

अपना समय बर्बाद ना कर के कुछ कर
सकती हो, दुनिया को बदल सकती हो।
हर दिन तुम कुछ नया करना नया सीखना।

लेकिन उस से डरो मत क्योंकि गलतियां जो
करते हैं, वही गलतियों से कुछ सीखते हैं।
