

Remove legacy waste and improve visual cleanliness in the village

Cleanliness and order are not matters of instinct, they are matters of education and like most great things, and you must cultivate a taste for them. – Benjamin Disraeli

A Clean Drive was organized in G D Goenka School Varanasi by students under the observance of swachhata Pakhwada on 28 January 2023 for classes IX. The Swachh Bharat Abhiyan is the most significant cleanliness campaign by our Honourable Prime Minister Shri Narendra Modi. Clean Drive is just a small step towards contributing to this campaign. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. All the students were told to bring a small cloth for the cleaning purpose. With zest and zeal, the enthusiastic students steered the cleanup drive to success through their efforts, the support of the school. Every student cleaned their desks and benches themselves during the drive. Some students also cleaned the windows and doors of the classroom. In few of the classes, to motivate everyone to keep their surroundings clean, students themselves drew drawings on Swachh Bharat. Students with the help of drawings kept their ideas and their zeal to keep the place clean in front of everyone which was a major inspiration for many of the students. Photographs of students cleaning and making drawings were also clicked to motivate them. .

Students actively participated in the event and inspired other students to do the same. This kind of activity is held every year in our school to inculcate the habit of keeping their surroundings clean in them.

Improve visual cleanliness in the village
