Prime Minister Shri Narendra Modi ji at the Grand Rudraksh Convention center, located near Nagar Nigam, Chhittupura, Sagra, Varanasi.

The exhibition was inspired by the life of Prime Minister Narendra Modi featuring 55 paintings created by Dubai resident Akbar Khan who was inspired by PM Modi's personality. The exhibition had cascaded the paintings between November 11 and 17. The paintings traced the Prime Minister's journey from a tea vendor in Gujarat in his early years to a world leader, taking drastic measures including the GST, demonetization, surgical strike, Ujjwala Yojana, Mann ki baat, & how to overcome examination pressure etc.

Furthermore, the exhibition also portrays PM Modi's successes and struggles.

The goal of the exhibition was to familiarise the youth with Prime Minister Modi's oath to transform India into a "Vishwa Guru."

Students showed keen interest in learning PM Modi's Life . They were fascinated by the paintings on display and the unique glimpses offered by all the objects and artwork.

On the whole, the trip was unique and educational experience for the students, teachers and staff.
