

REPORT: Science and Social Studies Exhibition
DATE: 15.10.2022
CONDUCTED BY: Nursery & IX
ATTENDED BY: Teachers, Staff, & Students

Science and Social Studies Exhibition was also organized at the time of PTM. Parents took keen interest in the exhibition. They were amazed and excited to see their wards putting in so much efforts in the form of great innovative projects & models. The students' excitement for their endeavours was unprecedented.

The parents showed their complete satisfaction with the academic, co and extra curricular activities. The parents appreciated the students and were awestruck by the students' interaction, explanation and involvement with their models.
